

Scottsdale Elite Volleyball Club

Scottsdale Elite Volleyball Club, Inc. (SEVC) is a member of the Junior Olympic program of USA Volleyball. SEVC was founded in 1992 to give the youth of Scottsdale an opportunity to develop volleyball skills, to understand the dynamics of teamwork, to encourage well rounded athletes in pursuing higher education, and above all, to develop a positive self-esteem.

Each year SEVC has grown to accommodate a wider range of ages, skill levels, and the growing sport of volleyball. As SEVC has grown, so has its clientele. SEVC now attracts players from all over the valley.

Our coaching staff believes that the most important thing is the development of the athlete. To best develop the athlete we believe in a positive environment, where the players are challenged to reach their potential. Each SEVC coach is required to be certified through the USA Volleyball's Coaching Accreditation Program. We strive to give each player the fundamentals and strategies necessary to excel in the sport of Volleyball.

Tryout Dates and Times

All tryouts are to be held from 2pm to 5pm. Tryouts will be at Arcadia High School, in the Gym. Arcadia is located at 4703 East Indian School Road. We must be notified in advance, if a player cannot attend the scheduled tryout.

Important new procedures that need to be completed before tryouts:

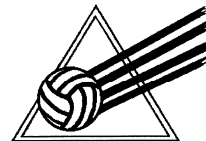

Every player must be registered through the region's new online system. Each player needs to complete their registration, but not select a club. You should leave the club listed as undecided. At the end of your registration, you need to print the medical release form. Every player at tryouts needs to bring with them a copy of the conformation email that states that they completed registration and a medical release form. You will not be allowed to tryout without these 2 forms.

A parent or a guardian must accompany each player to tryouts in order for that player to be eligible. A parent orientation will be held at the beginning of tryouts. At that orientation, information regarding practice sites, practice times, season schedule, and cost will be discussed.
